Model for Improvement: Plan-Do-Study-Act (PDSA) Cycles Once a team has set an aim, established its membership, and developed measures to determine whether a change leads to an improvement, the next step is to test a change in the real work setting. The Plan-Do-Study-Act (PDSA) cycle is shorthand for testing a change — by planning it, trying it, observing the results, and acting on what is ...

Are you ready to learn nursing and health care skills via the Internet? According to author Diane J. Skiba, unless you are within 5 years of retirement, you will be encountering the "Net generation" in your nursing practice. This is a group that embraces technology, and it believes that health care, like education, is in the dark ages when it comes to technological usage.
