In MPC's March 2017 Cost of Segregation report, we explicitly emphasized the enormous price we pay for segregation. Yet, the remedies and recommendations offered here go far beyond the patterns of where people live. To disrupt metropolitan Chicago's legacy of segregation, we focus on the racism and inequity that fueled and continues to fuel it.

Everything is relative when it comes to money.Â If we all earn \$1 million dollars a year and have \$5 million in the bank at the age of 40, none of us are very wealthy given all our living costs (housing, food, transportation, vacations) will be priced at levels that squeeze us to the very end. As such, we must first get an idea of what the real average net worth is in our respective countries ...
