Activity: Stock up on prenatal vitamins. If you haven't already, now's the time to start taking a daily prenatal vitamin. Make sure yours contains at least 400 micrograms of folic acid to reduce your baby's risk of certain birth defects. To help you remember to take one every day, put your bottle of vitamins next to your toothbrush or something else you're sure to see before bed or in the morning.

2 Weeks Pregnant: Symptoms, Pictures & More | BabyCenter

The beginning of human personhood is the moment when a human is first recognized as a person. There are differences of opinion as to the precise time when human personhood begins and the nature of that status. The issue arises in a number of fields including science, religion, philosophy, and law, and is most acute in debates relating to abortion, stem cell research, reproductive rights, and ...

Child development stages are the theoretical milestones of child development, some of which are asserted in nativist theories. This article discusses the most widely accepted developmental stages in children. There exists a wide variation in terms of what is considered "normal," caused by variation in genetic, cognitive, physical, family, cultural, nutritional, educational, and environmental ...

Child development stages - Wikipedia

Throughout this chapter, we will express embryonic and fetal ages in terms of weeks from fertilization, commonly called conception. The period of time required for full development of a fetus in utero is referred to as gestation (gestare = "to carry" or "to bear"). It can be subdivided into distinct gestational periods.

28.2 Embryonic Development - Anatomy and Physiology

Bathroom was remodeled 6 months ago. One corner of shower has cracked peeling caulk along entire edge. Contractor installed acrylic caulk with a layer of clear silicone caulk on top. Contractor says cracking is expected in corners and it needing to be replaced after 6 months is a maintenance item. Honestly all bathrooms in my house the caulking has held up at least 15 years.
