Just One Taste The V

JUST ONE TASTE is a pre-quel short story, approximately one chapter in length and focuses on Vivian as she re-unites with Rafe after more than a decade apart. At the present we are not sure what has happened between the two, but there is a definite sexual attraction and one that Vivian (aka Dria) does not want to pursue.

It only takes a taste when it's something special. It only takes a taste when you know it's good. Sometimes one bite is more than enough To know you want more of the thing you just got a taste of. Jenna: that reminds me of a thing we would say. Me and my mamma in the kitchen when we'd bake. She's say "jenna, you can tell the whole story with a ...

`Just One Taste' is the third book in Louisa Edward's ridiculously delicious `Recipe for Love' contemporary romance series. We first met Wes Murphy back in second book `On the Steamy Side'. Wes was introduced as the new Market intern (after the last one went bonkers!) and he came with a shady back-story about an illicit student-teacher romance and a broken heart pining for him back at culinary academy.

Most of us did it often just to irritate the piss out of him. "Occupy your girl, she's getting nosy." I turned to walk away, feeling something collide with the back of my head. I looked back just in time to see an empty plastic water bottle bounce along the floor before rolling to a stop only a few inches away from Morgan's feet.
