Have you ever seen graffiti on walls, buildings or trains? Some people believe it is an art form, while others believe it is a crime. As with many complex issues, the truth is somewhere in between the two extremes.. Graffiti refers to images or words scratched or painted on property. Graffiti includes any type of public markings and can be as simple as written words or as complex as intricate ...

Reading this scripture last week helped me realize something about myself. Maybe my faith wasn't as misplaced as I thought it was. In fact, maybe my emphasis of faith in God's plan, His atonement and eternal life, was what gave me strength and emotional stability through Kycie's ups, downs and ultimately when she passed away as I held her in my arms.

A Child of The 50s U.S.A. I think about those days a lot!! The days when we knew and trusted all of our neighbors, when we either walked or rode our (one and only) bicycle everywhere we went, band concerts at our local park on Friday nights, also many, many times going to this same park to watch the "boys" play baseball, the local movie theatre, the sock hops, and on and on and on.

Most of my top-earning videos feature my exploration of abandoned buildings, ghost towns, mills, mines and factories. This genre of video is called "urbex," short for "urban exploration," and I had never heard of it until I uploaded that video at the abandoned mineral resort up near Jackpot, NV last July.

This is awesome! I don't have any kids of my own but one of my favorite quotes is constantly being challenged by those living in fear. "Never trade the thrills of living for the security of existence" We have a daycare center at my worksite and it is in a constant state of fear, no matter what it is.
