### **10 Lessons for Teaching Conflict Resolution Skills**

The effect of aggressive behavior on the classroom environment is significant. For three decades studies continue to show that the majority of surveyed teachers feel that aggressive students undermine learning for others and most feel that academic achievement would improve dramatically if the problem were remedied.

### **NEA - Conflict Resolution Programs**

Conflict resolution is conceptualized as the methods and processes involved in facilitating the peaceful ending of conflict and retribution. Committed group members attempt to resolve group conflicts by actively communicating information about their conflicting motives or ideologies to the rest of group (e.g., intentions; reasons for holding certain beliefs) and by engaging in collective ...
