Drink the entire solution. If necessary, a straw will help make it easier to get down. Proponents of this method at SelfGrowth.com suggest that better results are obtained when the detox is performed first thing in the morning, while writers at the CleansingOrSurgery website recommend using the salt water cleanse in the evening.

Alternative medical theories point to a connection between liver detoxification and hair loss. Alternative medical websites such as DetoxLiver.net suggest that a detoxified liver cannot perform its hormonal function, and because hormones relate to hair loss, a detoxified liver results in hair loss.
