The concept here is: If one favors liberty, equality, and/or policies that affect the collective equally (like classical liberalism, social liberalism, or communism at the far-left), they are generally said to be taking a “left-wing” stance (they needn’t embrace all these things, just one or more). TIP: Other key left-right positions include a long list of positions common to liberalism ...

Trump Got That Right. When The New York Times unearthed ten years of Trump’s tax returns showing losses in excess of \$1 billion, Trump indignantly tweeted that this is simply how the real-estate game is played—pile up those paper losses while you make real money. Trump is right about that. The developer scam allows you to take deductions for depreciation while the property is actually ...
